

## PARLIAMENT OF UGANDA

### PETITION

**(Rule 30 of the Rules of Procedure of the Parliament of the Republic of Uganda)**

**To: The Parliament of Uganda**

The **HUMBLE PETITION** of Community Members of Lapono and Lira-Kato subcounties, Agago North County, Agago District presented, on their behalf by **Hon. OKOT John Amos (MP, Agago North County)**

**SHOWETH AND STATES THAT—**

1. Your humble petitioners are community members of Lapono and Lira-Kato subcounties, Agago North County who own land under a customary land tenure system in Agago district;
2. Your humble petitioners own approximately 200,000 hectares of land which they use for settlements, cultivation, hunting, grazing animals and sports;
3. Your humble petitioners aver that—
  - (a) they were using their land without any interference until the UPDF Land Forces Camp Commandant and one of his uncles claimed to have freehold titles over the petitioners' land in Paimol, Lapono, Lira-Kato and Adilang subcounties;

- (b) the Ministry of Lands issued the said certificates of title to the land grabbers over land measuring 7,537,341.5 hectares, however, a survey was carried out over 219,401,365 acres which covers the subcounties of Paimol, Lapono, Lira-Kato and Adilang, and the petitioners believe that more fraudulent activities over their land may arise;
- (c) the petitioners believe that the two land grabbers, the UPDF Land Forces Camp Commandant and one of his uncles obtained the said certificates of title through fraud;
- (d) the LC II Chairperson of Kaket parish, the L C III Chairperson of Lapono subcounty and the Chairperson of Kucure clan who holds out as the Chairperson of a nonexistent association referred to as "Lapono Land Owners' Association" and the Coordinator, Parish to Market Project generated fake resolutions and attendance lists purporting that the land owners of Lapono and Lira-Kato subcounties agreed to give their land to an investor to carry out investment activities;
- (e) the Resident District Commissioner of Agago District informed the President of the Republic of Uganda on 17<sup>th</sup> October 2023 that the land owners of Lapono and Lira-Kato subcounties gave their customary land to the said investor which is not true;
- (f) the Resident District Commissioner is using the Uganda Police and the National Forestry Authority to intimidate some of the leaders of Agago District who are advocating for the rights of the community of Lapono and Lira-Kato subcounties in Agago District;

- (g) the National Forestry Authority is threatening to demarcate some of the land in question claiming that it is a forest reserve;
- (h) the Ministry of Energy and Mineral Development has also discovered minerals on the land in question but has in no way cooperated with the petitioners in the initial processes, yet the Ministry continues carrying out activities on their land;
- (i) the actions of the National Forestry Authority are all geared towards grabbing the customary land of the petitioners so that particular individuals acquire titles to the said land where minerals deposits are detected;
- (j) the National Forestry Authority and the Ministry of Energy and Mineral Development have intimidated the local people and refused to inform and sensitise the local community about their activities;
- (k) the Ministry of Energy and Mineral Development approached some people in Lapono and Lira-Kato subcounties and forced and tricked them to sign documents indicating that their land was part of the Karamoja subregion as opposed to the Acholi region which will have economic and political ramifications;
- (l) the failure by the Uganda Wildlife Authority to prevent destruction of property and crops of the people in Lapono and Lira-Kato subcounties by wildlife and the presence of cattle rustlers in the Acholi region is part of the land grabbing scheme and injustices occasioned to the people;

4. The petitioners aver that they are aggrieved by the disregard of their constitutional rights and the failure of the relevant local leadership and Ministries to uphold the Constitutional rights.

**NOW THEREFORE** your humble petitioners pray that Parliament intervenes by;

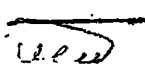

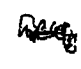

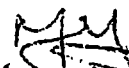

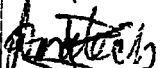

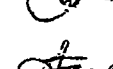

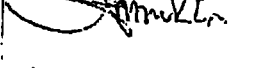

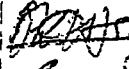

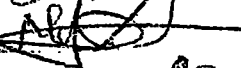

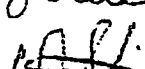

- i. investigating the fraudulent issuance of certificate of titles of the land in question;
- ii. investigating the actions of the Resident District Commissioner, the L.C.II Chairperson, the L.C. III Chairperson, the Chairperson of Kucure clan, the Coordinator, Parish to Market Project and any investors in regard to the land in Lapono and Lira-Kato subcounties;
- iii. investigating the actions of the National Forestry Authority and the Ministry of Energy and Mineral Development in regard to the land belonging to the community members of Lapono and Lira-Kato subcounties in Agago District;
- iv. investigates the alleged acts of intimidation of some local leaders by the Uganda Police.

**AND** your humble petitioners as in duty bound will ever pray;

A handwritten signature in black ink, appearing to be a stylized name or set of initials, possibly 'W. M. M. M.', written over a horizontal line.

**AND** hereto your humble petitioners have appended their signatures;
